1, Red Cross Road, New Delhi – 110001

**CALL FOR FULL LENGTH RESEARCH PROPOSAL UNDER DHR-ICMR
“GRANT-IN-AID” SCHEME FOR INTER-SECTORAL CONVERGENCE AND
COORDINATION FOR PROMOTION AND GUIDANCE ON HEALTH
RESEARCH”**

The ‘Grant-in-aid’ Scheme for Inter-sectoral convergence and coordination for promotion and guidance on health research” is a flagship programme of Department of Health Research, Ministry of Health and Family Welfare, Government of India. Under this Scheme, financial support is provided in the form of grant-in-aid for carrying out research studies in identified areas of following components to identify the existing knowledge gap to translate the existing leads into deliverable products. Under the Scheme, the special emphasis is also put on encouraging innovations and their convergence into public health benefit.

- 1. Research studies with emphasis on public health**
- 2. Translational research projects**
- 3. Inter-sectoral co-ordination including funding of joint projects**
- 4. Cost effectiveness analysis of health technologies through a health technology assessment system**

During the year 2019-20, Department of Health Research invites “Full Length Research Proposals” through online mode in the following prioritized areas:

1. Innovation in Health Technologies
2. Health Technology
3. GIS based disease mapping/ surveillance
4. Health Informatics
5. Biomedical imaging and processing
6. Clinical trials for newer drugs, vaccine, devices, kits and tools
7. Disease modelling
8. Health system research
9. Health Economics
10. Health Policy
11. Environment and Health

Who can submit a proposal:

- (a) Govt. Medical Colleges/Institutes/Universities; (b) Private Institutions/NGO registered with DSIR/DHR; (c) Individuals holding regular faculty position in universities, medical college,

post-graduate institution, recognized R&D laboratories and NGOs; and Professional bodies and scientific societies and associations

When and how to submit a proposal:

Proposals are received against the call for ‘full length research proposal’ advertised in leading newspaper and on the websites of DHR and ICMR. The full length research proposals may be submitted online on www.dhrschemes.in.

All projects involving research on human beings/animals must be cleared by the Human Ethics Committee/Animal Ethics Committee of the respective institute. For details, please visit www.dhr.gov.in, <http://icmr.nic.in/> and www.dhrschemes.in.

Component and duration of the study:

Sl. No.	Component	Duration of the Study
1.	Research studies with emphasis on public health	1-3 years per project
2.	Translational research projects	1-3 years per project
3.	Inter-Sectoral co-ordination including funding of joint projects	1-3 years per project
4.	Cost effectiveness analysis of health technologies through a health technology assessment system	1-3 years per project

Deadline for submission of full length research proposal: 31st July, 2019

For query, contact (From Monday to Friday) (9.00 am-5.30 pm):
