

## Young Scientist

### **Scholarships /fellowships programme to young scientists in newer areas for three years**

**Scholarships /fellowships programme to young scientists in newer areas for three years:** These fellowships aim to fulfill the objectives of creation of inclination / attitude of research among the young bright students from the medical colleges / universities. In the programme student having bright academic record who are perusing their degrees i.e. MD/MS/MDS/MBBS/ M.Pharma/ M.Tech/ M.Sc. etc. will be identified and will be given scholarships upto three years in cutting edge areas of health research. These fellows will be carrying out their research activities under the supervision of some faculty member of institute/ medical college. The fellowship will be awarded on year to year basis, not exceeding three years, based on the satisfactory progress/ research output. The age of candidates should be less than 35 years for Category A and less than 30 years for Category B on the date submission of the application. Two categories of the fellowships are given below:

- Category A - Fellow who hold MD/ MS/MDS/ or PhD in bio-medical sciences at a stipend of Rs.70,000/- per month for Medical and Rs.60,000/- per month for Non-medical and a contingency grant upto Rs. 10.00 lakhs per year
- Category B - Fellow who are MBBS /BDS/ MVSc. or M.Sc. in bio-medical sciences and having at least 2 years working experience in bio-medical field. The approximate expenditure for this fellowship is stipend of Rs.55,000/- per month for Medical and Rs.50,000/- per month for nonmedical and contingency grant upto Rs 10.00 lakhs per year.

### **Funding mechanism**

- i. The fellow shall submit a research proposal and shall be working with or under the supervision of a regular faculty of a Research Institute.
- ii. The amount (fellowship and contingency) will be released to the institute in favour of the Head, and will be kept in separate account.
- iii. The audited statement of accounts of the scheme, done by the 'statutory audit body', will be obtained.
- iv. Work of the fellow will be reviewed periodically by expert group and shall continue only after receiving the satisfactory report from the expert panel.
- v. If fellow is selected for permanent job /transferred to any other institute, from the present Institution, he/ she will be allowed to shift the project along with him to the new institute, provided both institute submit the No Objection Certificate.
